

# ESTATE PLANNING: AN ACT OF LOVE AND PRUDENCE

Estate planning is important for people of all ages and all levels of wealth. Carson Law Firm LLC will professionally design your estate plan to fit your needs and achieve the goals most important to you. We will help you do all of these, and more:

- **Avoid probate**
- **Avoid estate settlement costs**
- **Avoid estate taxes**
- **Avoid income taxes**
- **Direct assets to the hands of the right people**
- **Qualify for Medicaid**
- **Create a trust to preserve your assets for young children**
- **Protect your assets from creditors using an irrevocable Domestic Asset Protection Trust**
- **Allow your loved ones to talk to your doctor, manage your healthcare and manage your property if you aren't able to**

Christian Carson is an estate planning attorney who can help you evaluate your personal situation and help you decide the best plan for you out of the many options you have.

Christian crafts an estate plan that fits **your needs** within your budget, and won't sell you any products you don't need. A typical estate planning session typically lasts no more than an hour and requires only one followup visit to execute documents.
